

## Matt Clarke

Specialising in Eco-system innovation, Matt Clarke is based in London and works internationally catalysing solutions that only For Profits, Government and NGO's together can solve. With over 20 years experience in over 20 countries, Matt has designed, choreographed and led transformations for individuals, teams, organisations and value chains. With a formal background in Human Health, Matt is an advocate for Human Energy, practicing what he preaches as best he can!
